

## SKIN CHANGING DAY 1.7 oz

### Caviar day cream

Its texture is rich and suitable for mature skin.

**Caviar 1.4%** : Antioxidants contained in caviar nourish the skin and have a powerful firming effect.

**Nourishing oil mix : macadamia, safflower and wheat germ.** Rich in proteins and fatty acids, they have antioxidants that help fight aging skin.

**Aloe vera** : a complete plant that has a tightening effect, widely known for its benefits on the skin

**Provitamin B5:** In high concentration, it is used for the treatment of sunburns, light burns, small lesions and other minor skin disorders. It improves hydration, reduces itching and inflammation of the skin, improves elasticity and accelerates skin healing.

**Vitamin E (tocopherol):** Biological antioxidant that strengthens cell membranes and red blood cells. It prevents vitamin A and essential fatty acids from oxidation. It fights against free radicals. Being liposoluble, it finds its way within the phospholipid membrane and acts in the hydrophobic phase.
